

MAUDSLAY IS A PLACE OF MAGICAL BEAUTY, QUIET SOLITUDE AND PEACEFUL REFLECTION. EVERY TURN IN THE TRAIL, EVERY PEEK AROUND A CORNER, EVERY VIEW OF THE RIVER, BRINGS A SMILE TO YOUR FACE AS YOU FEEL THE CARES OF THE WORLD FADE AWAY.

Whether you ride horseback, on a bike, or just walk; whether you do it alone, or with family or friends, Maudslay is a haven from the real world, even if just for a moment.

But like all things of value in this world, it takes some care and work to maintain it. So whether you ride a horse or a bike, or enjoy walking, we invite you to join us for the day as we meander through the pathways and spend time afterwards with good food and good friends.

Proceeds from this event will go towards the maintenance of the Park

The 450 acre former Moseley family estate on the Merrimack River, Maudslay State Park features 19th century gardens and plantings, rolling meadows, towering pines, and one of the largest naturally-occurring stands of mountain laurel in Massachusetts. Most breathtaking are the ornamental trees and masses of azaleas and rhododendrons that bloom in May and June. An exquisite place for walking, biking, horseback riding and informal picnics. Special Use Permits may be obtained for wedding ceremonies and similar programs.
